

# Emily Faso - Resume

enfaso87@gmail.com  
Cell: 610-306-3608

Philadelphia, Pennsylvania  
Portfolio: <https://efaso87.github.io/emilyfaso/>

## EDUCATION

- Bloomsburg University, Bloomsburg, PA 17815  
Bachelor of Science & Technology Degree: Computer Science, May 2025, Overall GPA 3.4/4.0  
Focusing in Web Development Track

## COMPUTER SKILLS

**Programming Languages:** HTML, CSS, JavaScript, SQL, Python, Java, C, C++, PHP

**Software Tools:** Microsoft Office Suite (Excel, PowerPoint, Word, etc.), Adobe Creative Suite, Wordpress CMS, Database Management, APIs and Frameworks, Git/Github, Figma, Bootstrap, Node.js, React, jQuery, and more.

**Development:** Proficient in Front-End Development & Back-End, Information Technology, RESTful API integration

**Design:** Crafting creative, innovative, accessible, and visually compelling UI/UX design structures for websites

## PROJECTS

**E-Commerce Website & Item Maintenance/Management Application:** Utilized advanced JavaScript techniques to create a fully functional e-commerce site with item browsing, filtering, sorting, and real-cart updates. Item maintenance interface allows backend administrators to edit item details using JSON, SessionStorage, and event-driven programming. Built with HTML, CSS, and JavaScript.

**Food For Thought - Social Media Platform (Webpage/Mobile Application):** Social platform for foodies to share recipes with one another, with interactive features such as following, liking, and commenting on others posts. Built with HTML, CSS, and JavaScript.

**UV Application (Web Application):** Web application providing real-time UV levels and weather based data to users based on the user's current or entered location. Built with HTML, CSS, JavaScript, and APIs.

**Love Catcher (Pygame):** Interactive game where users play as "Cupid" to catch as many hearts as they can while increasing levels and unlocking accomplishments along the way. Built with Python/Pygame.

**Restaurant Reservations (SQL):** Managed restaurant reservation data using multiple databases and complex queries in Microsoft SQL Server.

## TECHNOLOGICAL EMPLOYMENT EXPERIENCE

*IT Corporate Functions Intern, Endo Pharmaceuticals, Malvern, PA 19355 (Summer 2024)*
